Dear Pastor Garrick,

Thank you for your letter of April 4. We rejoice concerning the good report. Also, we just received the 1982 Annual Report and we are in the process of studying it carefully. TAB will always be "home."

We look forward to Debbie staying with us. I was able to buy a very good shower stall at an auction at a remarkably low price. I am thinking of installing the shower as an addition to the downstairs bathroom. That way, Debbie would not have to go upstairs to take her showers. However, the space necessary to install the shower would of necessity be taken from the bedroom which Debbie will occupy. That is not a large bedroom as it is and it would become even smaller with that alteration. I am enclosing a simple drawing for Debbie to look at. I would appreciate hearing what her preference is before I make any changes. One mitigating factor is that the bedroom adjoins the study and there is an ideal place for her to study, have her quiet time, and so forth.

We are excited to receive the news that you may be able to come to Winona Lake on May 17. We would be most delighted if you could spend that night with us. That way you could check out Debbie's bed and give her a first hand report.

The Lord has moved in some very significant ways recently. I have had the joy of seeing some more individuals receive Christ and am now involved in some exciting discipleship opportunities. Furthermore, our Olympian Club recently put on the musical "Kids Praise!" and it was and is still being used much by the Lord in the lives of the kids as well as others who have seen the performance. We are planning to perform at some additional nursing homes in the near future.

Things are still "go" for the Far East trip in November. I am in the process of getting a more definite schedule and receiving travel information at this time.

Please continue to keep us informed so that we can pray specifically for you and your family, and for the people and ministries of TAB.

Sincerely in Christ,
