

# The Refior News Bulletin

Paul, Pam, Nikki & Laura

December 19, 1988

THE REFIORES SEND YOU SPECIAL HOLIDAY GREETINGS!

At this Christmas season we focus again upon the greatest gift of all time, namely, God sending his unique son, Jesus Christ that whoever would believe in Him should not perish but have eternal life. We express our heart's desire that every person who would read this bulletin will have a very special celebration in Christ during this season. And to every person reading this bulletin who is not yet truly born again we beg you, on behalf of God, to be reconciled to God through faith in Jesus Christ.

Our precious Nikki is having a marvelous time at Cedarville College. We are so delighted with the academic, spiritual, and social benefits of Cedarville College. We could do a commercial about Cedarville College which is being greatly used by God in the education and development of young people for a life of service to the Master. Nikki is a member of the most outstanding pep band we have ever seen or heard. She really enjoys playing her baritone during the basketball games at Cedarville College. Nikki has made a host of new friends. She enjoys the challenge of her classes (She is in the Honors Program) and is as well-adjusted as one could ever expect of a college freshman.

Laura made the 7th grade cheerleading squad and she is diligently perfecting all of the cheers. She is a real "star." Laura is in the accelerated academic program and is enjoying her classes a great deal. However, she has lot more of homework to do than the kids who are not in the advanced classes. Both Nikki and Laura continue to grow spiritually and are leading lives that are honoring to the Lord and to their parents.

Pam's parents, E.J. and Shirley Petro, moved to town and are now settled in as residents of Warsaw. They purchased a small house and have done a terrific job fixing it up. They have started their new business, Petro Reporting Service, which is a free lance court reporting business doing such things as depositions, sworn statements, and the like. It is a great blessing to have them right here in town.

The large new addition at Pleasant Bible Church is nearly completed. We are hoping to be into the addition by February, 1989. We are excited about how the new addition will greatly enhance the ministry to the children (there is a large multi-purpose room/gym in the addition) and the great potential for exciting new opportunities with the Sunday school ministry of PVBC.

Pam has just assumed the position as president of the Warsaw Christian Women's Club. This is a strategic ministry which reaches out to a large number of women in the greater Warsaw area with the truth of the gospel that there is salvation only through faith in Jesus Christ as declared in the Bible. Many women are won to the Lord through Christian Women's Club. Pam is delighted with the Executive Board with whom she will be working for the next two years.

A new ministry has begun under the name of Child Evangelism Ministries, Inc. A very difficult decision was made by some individuals and groups in various parts of the country to disaffiliate from Child Evangelism Fellowship, Inc., based upon the need for Biblical purity and a return to the original ministries, focus, policies and procedures that had been established by J. Irvin Overholtzer. We are very excited about what the Lord has in store as Child Evangelism Ministries moves out in obedience to the Lord. If any of you should have any questions about CEM, I would be happy to respond and to provide you with further information concerning this new fundamental ministry for the purposes of proclaiming the Gospel of the Lord Jesus Christ to the children of the world and to help Christian children to grow in obedience and service to Him.

Here is a picture of the Refior family and the entire staff of Refior Law Office. Things are really exciting at the office. We are blessed with a great staff. I have limited my practice to only the following areas: civil trials and appeals; business/corporate/commercial law (including real estate matters); and estate planning/probate. Because Warsaw is a rapidly growing city with a vibrant economy, this really is a perfect place for this type of law practice. Pam continues to be the bookkeeper and Nikki will again work at RLO as a secretary this coming summer.

We all wish you a very Merry Christmas and we send our best wishes for a delightful new year.

Sincerely,

*Paul, Pam, Nikki & Laura*
